

How to Purchase a Yearbook

If you would like to purchase a yearbook using the online LINK store, start by going to <https://link.entourageyearbooks.com/>. Once on the main site page, enter the name of your school under the **School Name** search field. Make sure the school has the correct year, and if your school does not appear, please contact your school to confirm whether the ad sales are available.

After you click on your school from the drop-down menu, select the green **“Buy Book”** option on your screen. NOTE: If you do not see this button, your school has not turned on the ability to buy yearbooks on our LINK site. The yearbook advisor needs to contact Entourage directly to set this up.

You will be taken to this screen next, please enter the child's first and last name, as well as their grade. Once all that is entered, then click on the **'Buy Book'** button.
